DESCRIPTION/OPTIONS: Up for sale is this beautiful camper we purchased slightly used back in 2018. We have parked this unit at a seasonal spot for the last few summers and enjoyed the heck out of it! This Chaparral 360IBL is a mid bunk 5th wheel camper that has the ideal floor plan for a family. It has a queen bed upfront with slideout with all kinds of storage and drawers, a good sized bath with shower, a kids bedroom with oversized bunk beds and its own slide out, a large kitchen with dinette, 2 recliners, a fold out couch, and an electric fireplace with TV. This unit has a total of 4 slideouts. Very comfortable and clean, cleaned after every weekend, dealer serviced, and professional winterized. The prior owner used it one season and the dealer dropped it off and picked it up at their campground. We had it towed to our lot and towed back by the dealer as well. No issues, no leaks. For all the specs and virtual tour go to <https://www.coachmenrv.com/fifth-wheels/chaparral/360IBL/123>. Call with any questions. Awesome Camper!!!
