**DESCRIPTION/OPTIONS:** Check this cream puff out! 1999 Ford Mustang GT Convertible v-8/ 5 speed manual. I have a lot of history with this car and know it well. I sold this car used back in 2008 when I worked for a new car dealer, I then bought it from that customer once in business, I then sold it to a local gentleman, servicing it for him. He then traded it in for a Challenger, and we sold her once again to a local family. They just traded it back in for a Rav4. This car is in great condition all around. Everything works as it should, and the top is in great condition. We just installed new tires, and rear brakes. Come take look you will not be disappointed.
