MPG CITY: 17

DESCRIPTION/OPTIONS: Nice trucks are hard to find right now. Look no further, this 2018 GMC Sierra 1500 4x4 Double Cab Elevation is one heck of a truck!! We recently received this truck as a trade in from a good friend of ours who needed a larger SUV for his young twin girls. He purchased it brand new and took good care of it. We installed a 2in leveling kit front and rear, brand new BF Goodrich All terrain 285/55/20 tires, fully serviced, and detailed the truck. Sharp looking, low mileage, and priced to sell. Hurry this rig will not last!!
