DESCRIPTION/OPTIONS: Up for sale is our 1996 Chaparral 2130 Sport Bowrider. We have owned the boat for 6 years, and it has been an awesome boat and never let us down. Always professionally serviced, winterized, and shrink wrapped every year. New prop, 2 new batteries, and lower unit fluid change at the beginning of this season. Boat just turned 700hours, runs and goes great. Rear seat and sunpad are showing their age (faded and torn at seams) but captains chairs and front bow seats are in good shape, as is the carpet and side panels. The exterior of the boat is very solid and does not leak, had some fiberglass repair done to the left side prior to our ownership and it shows in the gelcoat, hairline cracks in the paint. Great boat and we have had alot of fun with it, tows tubes and skiers no problem. Consolidating from 2 boats to one, new pontoon is here this one needs to go. Currently in the water on Toddy Pond in Orland. Call for a time and we can meet up and take it for a test drive. Boat has a decent venture trailer, with newer tires and lights and mooring covers. Could use a good buff, I general do it every year. Turn key plenty of boating season left.
